District Court of the State of Delaware

RE: Villanueva v. TruGreen
CA 1:06-cv-00185-GMS

Judge Sleet:

I am writing to inform the Court that the parties have reached a tentative settlement. We are currently drafting the necessary documents which we hope to submit to the Court within the next two weeks. As a result of the settlement, the parties would request that the Court hold all pending matters in abeyance.

Thank you for your attention to this matter.

Respectfully submitted,
